The Official Journal of the City. DEMOCRATIC TICKET.

PER GOVERNOR,

ISHAM G. HARRIS. WM. T. AVER FOR SENATE, FROM PAYETTE AND SHELDY, R. G. PAYNE, of Shelby.

C. H. WHITMORE.

PERSONAL PROPERTY AND VALUE OF THE LET CHUNTY.

Pith of Jups, on the legislative gates of Mr.

Avrive, in the matter of the fine against Gen.

Backers. In our article of that date, we gave both resolutions entire, three offered by Mr.

Fully (the Democratic ones) and also the compelled to knock under to the "asfin." The compelled to knock under to the "asfin." The "compelled to knock under Jackson. In our article of that date, we gave both reactivitiens entire, these offered by Mr. How "article of a well regulated familing system. The "hards" of the party have been to make the most of the party have been to find the sightest evidence that it has manifested in every thing. It was not the money that Jackson or his friends was solicitous about. It was his vindered as yet of the sty—with no days to go before the people upon the bank, hard-money issue. There were besides we had got well under way and become in the first parent yet main title; the only question at issue is "did Mr." Avian favor the resolutions of instructions to our members of Congress to have the fine the party of the party, who would not have supported the analysis of the party, who would not have supported the candidates of the party, who would not have supported the candidates of the party, who would not have supported the candidates of the party on that issue, that, had to our members of Congress to have the fine the party of the supported the party of the supported the candidates of the party of the supported the candidates of the party of the supported the supported the candidates of the party of the supported the supported the candidates of the party of the supported the candidates of the party of the supported the supported the candidates of the party of the supported the supported the candidates of the party of the supported the candidates of the supported the candidates of the party of the supported the candidates of the supp ticle; the only question at lease is "did Mr."
Aviny favor the resolutions of instructions the party who would not have supported the candidates of the party on that issue, that, had to our members of Congress to have the fine refunded 2 " if he did, the beautiful rheitstic of Mr. Conna's campaign speech goes for nothing, and this being the best part of his apeech, we think that it leaves him but little to say about Mr. Aviny, who by the way seems to be the market which he is time to the way seems to be the market which he is time. to be the mark at which he is siming his block; no-hank position to that of a " this question, the only one at issue, can be sent.

If decreed. We have the Journal of the Legficod of mid-day light poured in upon that
salature now before us, and will proceed to wake our position good from the Journal it-

On page 431 of the Journal will be found for all above to which the existing system the preamble and resolutions of Mr. Polis, and subject the quondam "hards" will doubtle which were fully set forth in our former ar- | meet with the carnest co-operation of the Op tiels. These resolutions were read and laid on position party in the State. the table, on which order the ayes and noss are not given. On page 606 will be found the resstations offered by Mr. Manus in lieu of Mr. the Knuxville Whig, to the effect that Col Form's resolutions, which we here set forth in

he then presiding Judge of the District Court f the United States at New Orleans, for at alleged contempt, on his part, of the authors of the court, and whereas this Legislature a pursuaded that the measure which pressioned i emposition, had its origin in a patrictic desirely promote its public arreas: Be it therefore Risolated by the General Assembly of the Stat of Tensarson, That our Senators is Congression from the State be instructed and the Repreed on him at New Orleans on the and fifteen, he paid to him, together with th

On page 505 will be found the vote on this resolution. Those who voted in the affiermative are Meeur. ALEXANDER' AVERY, BLESSON

and for these resolutions Mr. Avgay veted. Mr. Cowary tries to make the impress Mr. Cunney will look further on the sam resolutions to Mr. Posk's, and voted for then and they were named, twenty-five Democr tion. If twenty-five Democrats thought the emulations proper, and voted for them, we di Avany, who then acted with the Whig party to do any more than vote with them." We can see nothing in Mr. Cruzes's left but a disposition to scatain the hypholatin and showed his sincerity in the vote by oppa point about the verbiage of the revolution which in effect we maintain are so alight

to make anything out of it.

merce for Memphis, with some expectation of guining attention. We intend to lay before our citizens, in more articles than the press merchants of this city, both in the cotton an clients of Mamphis. It is not by those mu shouts alone who are understood to be friend! reace to it. Houses that most persons expe will be inimical to the project, have given us a Chamber of Commerce is established in Mea just to the buyer and the seller, to the resident and the stranger-will do for our city, we enter-

buys from them what they have to bell, and majority for him, but since we heard him speal sells to them what they want to buy.

commercial conduct toward the planter and the planter and the form the farmer, is a thing we have much at heart.

That is my instance their ignorance of city life, and unfamiliarity with business customs and operations, should cause them grief and less, is to us a matter of concern and regret.

Gov. Foort Wiritpaaws.—The Vickshung as "Old Racker." He is an alderman of this burg, and is, or was, "Surveyor of the Port," burg, and is, or was remeved by Buchanau for helion formed the district. The Governor lett on Sunday on a business trip to Tennessee, but remember to a matter of concern and regret.

Solve Foort Wiritpaaws.—The Vickshung as "Old Racker." He is an alderman of this burg, and is, or was, "Surveyor of the Port," but I believe, was remeved by Buchanau for helion formed the concern and the concern and triple senting the arrest and the concern Of all our connections, patrons, and support- say he would address a letter to his friends, ore, there are note whom we regard more, or setting forth the reasons for his corne, which and also the battle of Bladensburg (1) and since here significantly appointed French and also the battle of Bladensburg (1) and respect higher, then our warm-hearted, gener- to us appears singular enough."

based; explain the term by which it should be governed; and enably states to rally public sensurant, July 6th, 1850.

Houvar, July 6th, 1850.

Entropy first an active in your testing that a first point, so that a first point, of the 20th all, is also as a member of Commerce may oppose the solution of the salutary and beneficial effects, and have respect to her selection of the causes, and have respect to her selection of the causes, and the proofs, of the proofs, of the property and the imposed upon Gen. Jackson at New Or-PRIDAY, TIL. CTTLT FULY 8, 1859.

> DEMOCRATIC PLATFORM ON THE CURRENCY-HARDS AND SOFTS. wise and proper" regulation of the existing follows:

J. P. PARRELLY & W. T. FARLEY

THE DESIGNACE DESIGNACE AND THE CUR-

A FALSEHOOD NAILED. A short time since a statement appear Jacob Miller, of Hawkins county, President the Rogersville Branch of the State Bank, back attempted to use his official position to control the vote of one of the debtors of the bank. Mr. Miller is one of the best and worthlest citizens of the State, and would need a such a disreput able act. The whole thing in doubtless a part trick, and by the Opposition in their deaps ties. The following letter to the Rogeravi State Sentinel sets the matter right:

COL. MILLER'S STATEMENT. ROGERSVILLE, June 30, 1850. Col. Havnes, at his house, I told him that should not renew his note in bank for \$70. This I proposes a base is; and further state that I did not stop my horse, and think Light was one hundred or one hundred and exposition of the time, and declaring it as the was with me, what we done. We taid him
